

Drexel Society of Women Engineers

Aspire, Advance, Achieve

Societal Mission: “Our mission is to stimulate women to achieve full potential in careers as engineers and leaders, expand the image of the engineering profession as a positive force in improving the quality of life, and demonstrate the value of diversity.”

Drexel Society of Women Engineers is an extremely unique section. Beyond a traditional executive board, the section is composed of seven diverse committees including: Diversity and Inclusion, Membership, Networking, Outreach, Professional Development, Public Relations, and Wellness. Each of these committees hosts events and provides resources that support SWE members in alignment with the SWE mission. With nearly one hundred new student members joining the organization within the past year, Drexel SWE continues to grow as a constant influx of new members and greater student participation and enthusiasm drives this section to create new events that cater to students’ needs, allowing for both personal and professional growth. Future events will be developed based on goals of current members. This will be a process of learning what SWE members are interested in achieving, from large to small goals. In keeping with SWE’s mission of “Aspire, Advance, Achieve”, Drexel SWE plans to use the idea of Wellness to connect members’ goals and aspirations to how they can grow as students, professionals, and leaders through resources provided by the section. From the responses of members, events will be catered toward specifically enhancing members’ skills, introducing new skills, and providing information and resources to achieve said goals. SWE members are engaged in enhancing the organization’s mission by planning events for the coming academic term that range from personal finance workshops for Drexel students to coding lessons for local mothers and their middle school daughters to a public health symposium to involve professors, alumni, and local professionals.

These exciting plans for the Drexel SWE section means that strengthening sponsorship from outside Drexel University is a key priority. The section recognizes that in order to allow Drexel SWE to grow along with the steady increase in new members, it must look beyond short-term financial goals and seek new sources of funding. To this end, Drexel SWE would like to ask for your help. Your support will promote the visions of both SWE and Drexel University in cultivating effective engineering female leadership in the global community.

The Drexel SWE Sponsorship Benefits

	Platinum \$5,000+	Gold \$2,500-\$ 4,999	Silver \$1,000-\$ 2,499	Bronze \$250-\$9 99	Copper \$50-\$249
Merchandise distribution (if requested)	✓	✓	✓	✓	✓
Recognition on Drexel SWE Official Website	✓	✓	✓	✓	
Supports any SWE event: <ul style="list-style-type: none"> ● Professional Development Workshops ● Membership events ● Mentoring program ● Outreach K-12 events ● General body meetings 	✓	✓	✓	✓	
Recognition in every Drexel SWE Newsletter edition (distributed quarterly to 800+ students)	✓	✓	✓		
Receive resume booklet from Drexel SWE members	✓	✓	✓		
Supports a SWE member to attend SWE Conferences	✓	✓	✓		
Host an information session on campus or plant tour at your company	✓	✓			

Host a Career Development Event!

Drexel SWE is excited to offer your organization an opportunity to host an information session or a plant tour. These events are some of the most anticipated amongst Drexel students, and often extend beyond SWE members. In fact, a recent corporate sponsored event drew more than seventy student members and faculty into attendance, half of which were outside of the Drexel SWE student section. Events such as these allow organizations to demonstrate their missions and work to potential student co-ops or future employees.

Sponsor a SWE Outreach Program!

To promote STEM education, Drexel SWE participates in local STEM promotional events, such as the Philadelphia Science Festival, and we host our own events for local high school and middle school students at Drexel. Our most notable events are our Engineering Night for Girls at North Penn High School, our Introduction to Engineering Workshop at Independence Charter School (pictured left), and our TechGirlz coding and engineering workshops!

Send a Member to SWE Annual or Local Conference!

Attending Annual conferences allows many opportunities for Drexel students, including a career fair with over 300 companies and organizations represented, corporate networking and interview opportunities, and a poster competition. Annual conference also brings together SWE members from across the globe. Additionally, members could attend hundreds of workshops ranging topics such as Career Enhancement, Academia and Research, K-12 Outreach, Inclusion and Cultural Awareness, and Wellness. Many of these opportunities are also experienced at local conferences, an annual conference that brings together sister members from over sixty schools in the Mid-Atlantic region. Last year, Drexel SWE Section participated in WE19 in Anaheim, California (pictured above).

Individual/Organization Support Form

Individual/Organization Donor Name: _____

Contact Person & Position:

Address: _____

E-mail: _____

Phone: _____

I/We would like to become an official supporter of Drexel SWE at the following level:

- Platinum Supporter (\$5,000 minimum) \$ _____
- Gold Supporter (\$2,500 minimum) \$ _____
- Silver Supporter (\$1,000 minimum) \$ _____
- Bronze Supporter (\$250 minimum) \$ _____
- Copper Supporter (\$50 minimum) \$ _____
- Other \$ _____

For recruiting companies ONLY:

- Which level(s) of students is your company interested in?
 - Freshman
 - Sophomore
 - Pre-Junior/Junior
 - Senior
 - Graduate student
- Which major(s) is your company interested in?
 - Architectural Engineering
 - Biomedical Engineering
 - Chemical Engineering
 - Civil Engineering
 - Computer Engineering
 - Electrical Engineering
 - Engineering Management
 - Environmental Engineering
 - Global Engineering
 - Materials Science Engineering

- Mechanical Engineering
- Other: _____

To make a donation, please send a check via mail (address below) or follow this link to donate electronically: <https://giving.drexel.edu/>. Please select the “Other” option when selecting a designation and enter “Society of Women Engineers”.

Please make all checks payable to **Drexel University with Society of Women Engineers in the Memo Line**. Checks and Support Forms can be mailed to:

Student Activity Fee Allocation Committee—Attn: Society of Women Engineers
3210 Chestnut Street
Room 032
Philadelphia, PA 19104

Does your company **match** your charitable donations? If so, please do not forget to include your match form in the envelope together with the check and Support Form.

Your gift to Drexel SWE is **tax deductible** to the full extent of IRS regulations.

For more information, please contact Abinishaa Sivaraj at swe.drexel@gmail.com
